No opinion has been expressed by either the Comptroller or the Financial Secretary. The only allowance of Rs 100/- recently sanctioned was in view of the higher responsibilities that the Auditor has now. Mr. Lakshminarasimhalu has last come & see me about two or so ago & he told me that as the only allowance would go towards the rent of the Bungalow which he would have to occupy in the Ry Colony at Bontikoppal after the Audit office moved into Mysore, he would be none the better for it financially in spite of his higher responsibilities. That is why he has asked for an allowance of Rs 200/- pm. In this connection I may invite attention to the view expressed in Rule S. R of the Secretariat of 5. 12. 22, that the responsibilities of the office-Auditors are very great and that it should carry emoluments at least equal to Rs 1000/- p.m.

Had he removed to the Journal line, he would have taken the Headship of the Journal dept. It is not to be extended to the contrary cases also where the Press & the Journal depts have refused to compromise with their Press where the others have been settled by a transfer to the Special line? Are not Press & the Journal depts. entitled to Consideration in that respect? The principle underlying the initial scheme is that all Press & Postal Servants

Submitted to His Highness.

His Highness was pleased to sanction on the 7th December 1922 the proposal of the Council to grant a Duty Allowance of Rs.100 to the Auditor, Mysore Railways.

Mr.T.Lakshminarasimha Rao, the late Auditor, subsequently made a representation to Government, through the Comptroller, bringing to notice that he had to incur extra expenditure on house rent, etc. owing to the transfer of his office to Mysore and prayed that the Duty allowance may be raised to Rs.200. The question was considered in Council on the 28th April 1923 when it was resolved that the Duty allowance of Rs.100 sanctioned to the Railway Auditor may be raised to Rs.200, with effect from 1st July 1923. The submission of this resolution for the sanction of His Highness was, however, deferred pending the issue of orders regarding the Auditor's responsibility in connection with the payments made for the railway engines purchased from Messrs.Kerr Stuart & co.,

Mr.Lakshminarasimha Rao died some days ago and Mr.S.Shamanna whose appointment as acting auditor has been approved by His Highness will have to be confirmed as Auditor. The pay of the appointment is Rs.600-40-800. As mentioned in my submission note of the 5th December 1922, the responsibilities of this officer are very great and in my opinion, it should carry emoluments at least upto Rs.1,000/- per mensem.

Mr.Shamanna is comparatively high in the list of Senior Assistant Commissioners and in the ordinary course the next acting vacancy but one among the Deputy Commissioners would go to him. When he is confirmed as Auditor it will not be possible to send him out as Deputy Commissioner again.

In all these circumstances the resolution of the Council to raise the duty allowance of the Auditor to Rs.200 may be graciously sanctioned.

Sir,

I have the honour to forward herewith for favourable consideration a representation from Mr. T. but I venture to assure you that I will leave no stone unturned to achieve the object in view.

In order therefore to make me suffer no loss and to work with vigour I would request you and I do not think that the request is extravagant either, to kindly recommend my case which has unfortunately put me back in my relative standing in the Civil Service by my selecting the Finance Department as the field of my work and trying to do my duty therein, to Government for granting me the maximum pay of Rs. 800/- plus a Duty Allowance of Rs. 200/- at least if a consolidated pay of Rs. 1000/- cannot be granted.

I beg you will kindly support my case and recommend me to Government at your very early convenience.

I have the honor to be,

Sir,

I have the honor to state that with the shifting of the Railway Audit Office to Mysore, the position of the Auditor in the Railway Administration will entail additional responssibilitie and financial work of magnitude as you are well aware. The introduction of concurrent audit of Loco Accounts adds also, its share in increasing his responsibilities and his expenditure also. The forced occupation of the official quarters is another item adding its weight of financial burden. The Duty Allowance of Rs. 100/- is not, I venture to submit for your kind consideration, an adequate addition to my existing emoluments and in view of the additional expenditure involved by the shift; and I believe it is not the intention of Government that in shifting my office my - - personal emoluments should suffer diminition; I would, conscious as I am of the many defects that still exist in my office to be pulled up I beg to submit that I have done my level best and I am sure have satisfied both yourself/and the Government that during the period I have been in charge I have been solely actuated by the single motive of rendering the office more efficient, systamatic, and business like.
